Aims and Objectives

Aims

To promote the recognition of Nurses working in Community care.

To raise the public and professional profile of nurses in community care.

Objectives

To provide an environment in which community care nurses can network, exchange ideas, seek information, provide education and investigate issues of concern.

To provide a united voice for Community Care Nurses.

Encouragement and provision of an avenue for personal and professional communication between Community Care Nurses in Victoria.

Meetings

Details of meetings and seminars are advertised in "On the Record" in the Australian Nursing Journal and on the ANF SIG website page.

Benefits

This group will provide networking resources to nurses working in the wide variety of community care sectors eg. district nursing, palliative care, hospital in the home and post acute care.

Education sessions will be provided on a wide variety of topics pertinent to nursing in the community.

Membership

Membership is open to all nurses working in the community, including non ANF members. Associate membership is available to retired nurses and nurses not currently working.
