Our Aim

The Victorian Urological Nurses Society Inc has been established with the aim of providing a communication network for those nurses with a special interest in urological nursing

The Victorian Urological Nurses Society Inc will provide a forum for education, research and information sharing, as well as promoting the highest standards of care in urological nursing.

The Victorian Urological Nurses Society Inc is an affiliated member of the Royal College of Nursing Australia, the Australian Nursing Federation and the Australian & New Zealand Urological Nurses Society Inc

**The Victorian Urological
Nurses Society Inc**

- To promote nursing research
 - To provide educational opportunities
- To provide a communication network
- To facilitate access to relevant resource material
 - To promote the role of the urological nurse in health care
- To promote high standards of urological nursing practice

- Please note that the membership runs from the 1st July to 30th June each year.
- New members joining after 28th February will be rolled over to the new financial year.
