Aims

To promote the recognition of Nurses working in Research over a wide variety of settings, roles and functions.

To raise the public and professional profile of nurses in research.

Objectives

To provide an environment in which research nurses can network, exchange ideas, seek information, provide education and investigate issues of concern.

To provide a united voice for research

nurses.

Encouragement and provision of an avenue for personal and professional communication between research nurses in Victoria.

Meetings

General meetings will be held twice per year. Meetings are an opportunity to network and will involve education with ideas for forums, discussion provided by members.

Details of meetings and seminars are advertised in "On the Record" in the Australian Nursing Journal. A list of meeting dates and venues will be forwarded on receipt of a new Member applications and at the beginning of the year to existing members.
